eye shadow  
all over eye

Dark brown  
Eyeshadow  
in crease

mascara on  
lashes

These instructions are standard for all young dancers and written specifically for performance use. Strong makeup in the correct colors will keep your child's face from getting washed out by the bright lighting on the stage.

**Please bring your child to rehearsal and the shows in their costume with their makeup on.**

**The makeup department is for special production makeup and for emergency touch-ups only.**

**Thank you for your help.**
